Subject Descriptions:

- Celebration:** Capture a moment from any celebration.
- High Key:** Expose to the right and create a light, airy high key image of any subject.
- Nature Close up:** Get up close and personal with anything to do with nature.
- Movement:** Capture any type of movement in your image.
- Macro Anything:** Image of any small items in a larger than life size.
- Pets:** A portrait of any pet – yours or someone else's.
- Artistic Texture:** An image that captures the texture of the subject. You should almost be able to feel the images
- Landscape - :** Look at the world from a different angle.
- Get Down Low** Shoot a landscape from a low point of view
